➤ **How are the Preparations going on for International Exchange Program to Belgium?**

Preparations are in their full swing. Right from the day one, we have been getting ready with our passports; practising dances etc. We are determined to do the best to get everything done before International Exchange Programme starts.

➤ **What are your expectations from the tour?**

It will be an adventurous and a learning experience for me. I'm sure we'll get to learn a lot about the places we visit, the culture we come across and the people we meet. All these will leave indelible and unforgettable memories in our lives.

➤ **What is your Wow feeling!**

I am excited about the new places, my first International tour, new people, new friends and the time we'll be spending together.

➤ **What are your feelings towards your parents for the opportunity they have given you?**

My parents have been a major support, mentally and economically. I thank them for their trust in me and for everything they've done to make this exchange programme possible for me.

➤ **Describe your feelings towards the school for selecting you as one of the members of the group?**

I'm thankful, to the school and our Principal for giving me this once in-a-life-time opportunity. I'm really grateful to them for bringing me up as a responsible and able student. Thank you Xavier's.
