The gratitude I feel towards my parents is simply inexpressible. I will never be able to thank them enough for sending me for this International Exchange Program. It will help me shape my mind and my future into becoming a better human being.

➤ **Describe your feelings towards the school for selecting you as one of the members of the group?**

When I got to know that I was one of the lucky fourteen, 'I felt privileged to be one of the few'. The school is giving this opportunity to be part of the International Exchange Programme. This trip aims at character development. It will definitely help me to be a successful human being. I will ever remain indebted to St. Xavier's Doranda for giving me this opportunity.
