- **How are the Preparations going on for International Exchange Program to Belgium?**
The preparations are going on well. I am quite energetic about the ongoing tasks such as process to get the passport and our rigorous dance practices.
- **What are your expectations from the tour?**
I expect to learn a lot from the European culture; see new places; discover and experience whatever comes in our way. I also want to make new friends with the Belgians and enjoy their quality food.
- **What is your Wow feeling!**
At first I had thought that I could never dance; but I realized now that I can always dance. The second, I am the most excited member of the team because I always wanted to travel to Europe. The best thing is that we would be travelling with our friends and teachers.
- **What are your feelings towards your parents for the opportunity they have given you?**
I feel that nothing is possible without them. No parents would like to send their children in such programmes. I feel fortunate enough to have such loving parents. Thank you parents.
- **Describe your feelings towards the school for selecting you as one of the members of the group?**
I cannot be less thankful to any of the in charge teachers as they have selected me as one of the fourteen students to be a part of this International Exchange Programme. I cannot express my thankfulness in words.
