

REFLECTIONS

Late Mr. Hira Prasad

Why I am unable to see God, whereas I can see my father ?

I can see my father, when he is with me and I with him, whereas I don't see God because he is always with me but I am not with him.

God exists around us, in everyone of us.

He who knows and know that he knows is a wise man-follow him he who knows not and knows not that he knows not is a fool-shun him

How can violence be put aside ?

It can be done by sublimating "EGO" It's ego that is the care of selfishmen and from it stems all violence.

How can we control are "egos" ?learn to forget the "I" and the "Me"

[Live as if you were to die tomorrow, Learn as if you were to live for ever]

A teacher does not teach a subject but he teaches the students.

My Favourite Prayer

"Enlighten our minds

We pray THEE LORD

By the brightness of

The LIGHT

So that we may be able to see

What we should do

and have the strength

To do it".

A Few dos and don't for the students as they take Board Examination:

Make a list of important formulae and learn them every morning.

Get adequate sleep.

Do not stay awake the whole night before the exam .

Plan out your study timing-take a break, cut down long hours of study.

Do not take heavy meals during examination.

Avoid eleventh hour study

Enter exam Hall with full confidence, remain calm.

Read the question carefully and make your choice during the first fifteen minute allotted for reading question and planning.

Don't be excited on seeing easy question.

Don't discuss or enter into discussion before the commencement of exam. Keep yourself cool calm and compose

Bring your own pencil, scale eraser, calculator, sharpener etc. So that no body is disturbed by your borrowing moves, supervising examinations do not encourage this habit of borrowing tendency.

Before the start of exam, you must remember God and pray for his blessing for your better performance.

Do your best and God will do the rest.
