- **How are the Preparations going on for International Exchange Program to Belgium?**  
*We're putting in a lot of effort, focussing on all the smallest details, so that the International Exchange Programme could be a successful and memorable one.*
- **What are your expectations from the tour?**  
*I hope to learn from Belgians; and probably inculcate many good qualities from them. I also hope to give them some of my own qualities from India.*
- **What is your Wow feeling!**  
*I'm one of the luckiest students to be able to not only represent our country but also to be able to raise funds for some great causes for the state.*
- **What are your feelings towards your parents for the opportunity they have given you?**  
*I'm really grateful to my parents for this opportunity because otherwise I would have never dreamt of going to Belgium, or Paris with my friends.*
- **Describe your feelings towards the school for selecting you as one of the members of the group?**  
*I'm really grateful to our school for selecting me and for providing me with this once-in-a-life time opportunity. Thank you Xavier's Doranda.*
