

IT EXHIBITION 2020

DATE : 7TH NOVEMBER 2020

As part of our social responsibility, We at St. Xavier's Doranda have decided to join the Government's efforts in the campaign titled "Public Health Response to Covid-19 Appropriate Behaviour".

This will be a collective effort by the students.

We are going to organize an **IT EXHIBITION on 7th November 2020**. In this exhibition students have to make a **presentation of maximum 3 minutes**.

This is open to all students **from classes 3-12**.

The exhibition will have Online Voting as well as Judges' Decision. There would be three groups for the exhibition.

Group No.	Class	Topic
1	3-5	Stay Home Stay Safe
2	6-8	Aatmanirbhar Bharat
3	9-12	Unlock with Precaution

Students have to come up with creative ideas and **mail their entries** to : it@stxaviersschool.com **latest by 30th October 2020**. The selected entries will take part in an **Online IT Exhibition** on 7th November 2020.

Things to be taken care of:

- 1) The presentation should make people understand the seriousness and magnitude of the present COVID 19 situation.
- 2) It should disseminate the message of Public Health Response to Covid-19 Appropriate Behaviour
- 3) Any presentation software can be used but the recorded video should be sent as a mp4 format.
- 4) All exhibits are to be prepared alone. Parents could also guide the students
- 5) Only the selected exhibits will be going for the online exhibition.
- 6) Along with the recorded video you must attach your scanned image along with name, class, section and mobile number.
