Note:

- All tests will be of 80 marks.
- Students of classes VI & VII will take the test online whereas class IX will appear for the same at school.
- The exact procedure for online exams will be put up in detail on the school website during the 2nd week of September.
- Since students of classes VI-VIII will be taking the test from home, parents cooperation is expected in ensuring the seriousness, integrity and sincerity with which their ward is doing the same.
- Duration of tests will vary depending on the subjects. A separate time of 15 minutes is allotted for reading the question paper.
- It is vehemently requested that papers be submitted on the stipulated dates only to rule out any incidents of scripts getting misplaced.
