St. Xavier's School Doranda, Ranchi

(Affiliated to the Council for the Indian School Certificate Examinations, New Delhi)

St. Xavier's School, Doranda is a Jesuit Institution run by 'XAVIERS DORANDA' with one history but many stories; one fire with many sparks; it forms men and women for others, men and women who display competence, commitment, conscience and compassion.

We celebrated the **DIAMOND JUBILEE** of the school in 2020. We still continue to celebrate the legacy of 63 years and pledge to prosper with our *motto* **"UTSAH SIDHAYE" (Strive to Excel).**

We journey with dedication and determination to illuminate the minds of many with enduring wisdom. It is a march towards new directions of expansion, both academic and infrastructure. This has been initiated and has come to a reality through **"SXD VISION 2020".** It includes the new Senior Secondary Wing with spacious classrooms, Best Science Labs, State of the art Computer Lab, Auditorium and other facilities.

HISTORY OF THE SCHOOL

The school was established in 1960 and it has gone through certain extensions in the course of time. In 1963, a part of the present building in the Senior Section was completed while in 1974-76, the present Primary Section building came into existence. In 1984, the school celebrated its Silver Jubilee and as a remembrance it added another section of the building in the Senior Section. In 2020 the School completed its Diamond year celebrating Diamond Jubilee. To mark it SXD VISION 2020 was added.

UPGRADATION OF THE SCHOOL

In 2001, the school upgraded itself to the Senior Secondary Level. It had a very good beginning. We started only with Science Stream of 2 sections and in 2006 we added Commerce stream. In 2021 we also added Humanities (Arts) stream. From its inception Plus Two results of our students have been very good. They have brought lots of laurels ranking toppers in the city as well as in the state. After the Plus Two a very good number of students join well known Medical, Engineering, Management, Law and other colleges in India and abroad.

The school progressed in its performances, in academics and co-curricular activities as well. It continues to have its name and fame. This is the reason why a large number of parents seek admission for their wards in St. Xavier's Doranda.

NETWORKING & COLLABORATION

Our endeavour to spread our wings towards new horizons requires a consistent cooperation and collaboration. We have called upon the Members of Doranda Old Xaverians **[DOX]** (An association of the Alumni) and parents of our students and our well wishers within the country and outside to come forward to participate in the process of development and expansion of an institution of learning to serve the nation better in the times to come. The Doranda Old Xaverians have been able to network with more than 5000 alumni with whom they are regularly in contact within and overseas at the moment.
